

Evangelistic **Youth Camps**

*"Train up a child in the way he
should go; even when he is old
he will not depart from it."*

PSALM 22:6

In every new generation there are future doers of God's work that need to be trained up. Who will follow our generation and carry the banner of faith, preaching the Gospel to the ends of the earth? Those, who in their youth, were trained up and instructed in the teachings of the Lord, which the Scripture says will stay faithful even in their old age. In organizing our youth camps, we hold several goals:

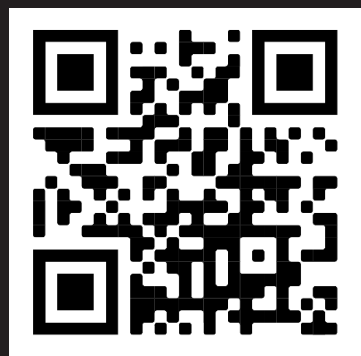

1. Strengthening the Christian youth in the foundation and sound doctrine of the Lord
2. Preaching the Gospel to the unbelieving youth.

Usually, these are the friends of the Christian youth who they invite to the camps, and those

who we evangelize to on streets, restaurants, and other common locations. 3. We introduce orphans who are aging out of their orphanages (which we've worked with for many years) to Christian youth, hoping to connect them to their local churches and youth groups. This is a new ministry for Chance, but already over a few years it has reaped its own effectiveness and need.

ABOUT US

“Thinking globally, acting locally”

The ministry of “Chance” is a group of Christian volunteers from all over America and locally in the area where we serve, whose hearts are on fire for the youth generation. The purpose of this ministry is to spread the Gospel through words and acts. Having been taught the principles of living in the Word, they then go on to tell others about the Good News.

“For I am not ashamed of the Gospel, for it is the power of God for salvation to everyone who believes, to the Jew first and also to the Greek.”

ROMANS 1:16

Thank you
for standing with us.

Thank You

"And God is able to make all grace abound to you, so that having all sufficiency in all things at all times, you may abound in every good work."

2 CORINTHIANS 9:8

The Youth is a generation that needs support. They are young, zealous, creative, easy-going and full of ideas. Besides spiritual leadership, they are in need of financial support in order to fulfill any of their ministries. Besides the personal expenses that every individual who is part of this missionary project is responsible for, every project is met with a huge financial cost.

Accommodation and meals for the kids in camp, crafts for lessons and gifts, venue and equipment rental, transportation and other logistics, missionary support, charity work and so much more- all of this requires monetary assistance. Every single donation results in an opportunity to do more and continue forward.

Equipping Our Youth for Ministry

"...and what you have heard from me in the presence of many witnesses entrust to faithful men, who will be able to teach others also."

2 TIMOTHY 2:2

WHAT IS DISCIPLESHIP?

"To become and be a follower of Jesus who embodies the character of Christ by participating daily in the personal pursuit of a holy transformation, doing so in a community of saints, who are consumed by the desire to be and make new disciples."

Discipleship is perhaps the only method for equipping new workers. We achieve this goal by organizing retreats, educational training, and missionary trips. We teach our youth how to serve,

evangelize, and build up the right priorities. Jesus says: "the harvest is plentiful, but the workers are few." Therefore, with a prayer to God for new disciples, we pour into the younger generation by guiding and preparing them to be zealous servants of Christ. Peter led Mark, Paul - Timothy, Moses - Joshua, the prophet Elijah - Elisha. We believe that this ministry needs to be continued to fulfill the Great Commission.

OUR CALLING

"Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age."

Camp for Orphans

We gather children from many orphanages, as well as economically and socially disadvantaged families and organize week-long camps for the children.

Evangelistic Youth Camps

Preaching the Gospel to the Youth, we know we are casting our net into the right place, knowing that 94% of people believed in Jesus Christ by the age of 18. Camp for Orphans

Equipping For Ministry

Discipleship, retreats, biblical training. "And the things you have heard me say in the presence of many witnesses entrust to reliable men who will also be qualified to teach others."

Camp for Orphans

"Religion that is pure and undefiled before God the Father is this: to visit orphans and widows in their affliction, and to keep oneself unstained from the world."

James 1:27

Children that are left without parental care against their will are a very unprotected and vulnerable part of society. These kids are no different than those who live in families: But left without a family or brought up by neglectful parents, they lose the aspect of a social life and close up within themselves. Over time, they convince themselves that they are "second class", and a normal fulfilling life with many prospects is not for them. Still living in orphanages, they prepare themselves for a criminal, wild, and irresponsible life which they believe is the only life they are capable of living. Over the course of many years we have

been putting on a week long camp for children ages 12-16. We tell them about the Gospel and by our own examples show them that they can live a new life in Christ. God works miracles! He destroys the lies of the devil in their hearts, making them new creations in Jesus Christ.
